IPA PEN PAL

Dear IPA friends,

The idea of this project started some months ago from a young man from UK, who wanted to improve his French by corresponding with one French member. The Section forwarded this request to all French members and very quickly received 12 applications!

Due to the success of this request and the feedback received, we felt we should develop this process of linking members across all IPA sections.

It's important to help members create bonds of friendship through travelling, but also this search for correspondents will allow members to interact, improve foreign language and very often result in a meeting with their pen pal.

HOW TO BE ADDED TO THE DATABASE:
If you are interested in corresponding with a member in another country:

1. Please complete the form attached and e-mail it to **ipapenpal@gmail.com**

2. Project lead, Mr. Thierry Larrouy, will gathers all applications and create a database of interested parties

Details will noy be shared or published under any circumstances. SCC guarantees the security of all personal data

3. The member seeking a pen pal, will contact the project lead of the SCC and declare which country he is interested in corresponding with, and which language. If there is a suitable match, the member will be informed of the contact details
